Passive cooling was a "latecomer"
in our program,
and embracing it has reshaped
our strategy and partnerships.

1 Reflection #1: Passive cooling is many things... Dare to be “narrow”.

1 Reflection #1: Passive cooling is many things... Dare to be “narrow”.

Scale **solar reflective surfaces**
through market development efforts

Make the case for PCS in **residential building**
by income segment

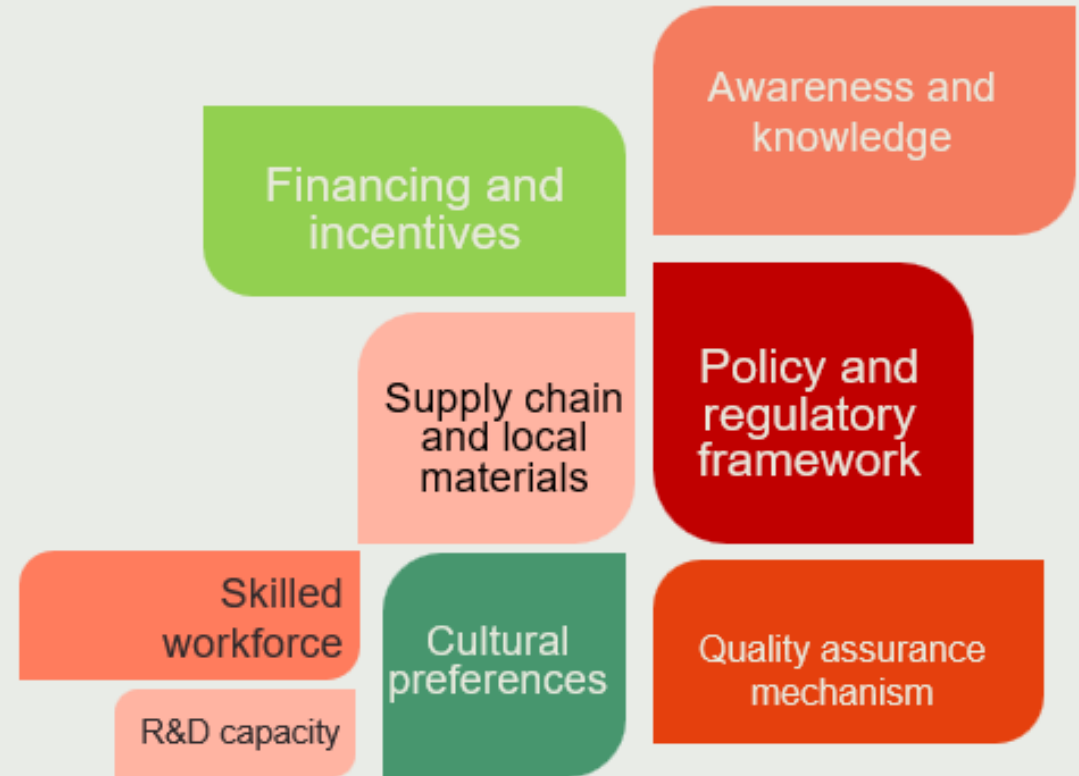

Our focus – A few entry points among many...

Reflection #2:

Each piece of the puzzle needs to come together.

3

Reflection #3:

**Changing hearts as well,
not just minds.**
